WE ARE FIVE, DESIGN DRIVEN APP DEVELOPMENT COMPANY

Five was founded in 2007 in Croatia, with a mission to become the leading mobile app design and development agency. With more than 60 employees in NYC, Zagreb and Osijek offices, we work with global brands.

We're hiring developers that are smart, proactive, communicative; learners and sharers that excel in:

o   iOS development

o   Android development

o   Web front-end development

o   ASP.NET development
